

Manitowoc School District Trend Graphs (From 2015-16 to 2019-20)

***No Report Cards were produced in 2019-20. As a result of the April 15, 2020, enactment of the 2019 Wisconsin Act 185, the coronavirus relief package, and the ESEA waiver granted by the Department of Education on March 27, all state and federal academic assessment requirements were suspended or waived for 2019-20 and there were no new ESSA identifications or state report cards issued during the 2020-21 school year.**

***Report Cards for 2020-21 have not yet been published. State statute (Wis. Stat. 115.385) requires the Department of Public Instruction (DPI) to annually publish school and district accountability report cards. These requirements are active, which means that DPI is releasing 2020-21 school and district report cards.**
